Employee Leave & Time-Off Policy — Effective January 2026

1. Purpose

This policy outlines the types of leave available to Acme Corporation employees, eligibility criteria, accrual rules, and the process for requesting time off. It applies to all full-time, permanent employees across all departments and locations.

2. Casual Leave

Employees are entitled to 12 (twelve) casual leave days per calendar year, credited at the rate of 1 day per month. Casual leave is intended for short-term personal needs and cannot be availed for more than 3 consecutive days without prior approval from the reporting manager.

Unused casual leave cannot be carried forward to the next calendar year and will lapse on December 31st.

3. Sick Leave

Employees are entitled to 10 (ten) sick leave days per calendar year. A medical certificate is required for sick leave exceeding 2 consecutive days. Sick leave may be carried forward up to a maximum of 15 days into the following year.

4. Earned / Privilege Leave

Employees accrue 18 (eighteen) earned leave days per calendar year, credited at 1.5 days per month after completion of the probation period. Earned leave may be carried forward, up to a maximum accumulation of 45 days. Employees may encash up to 10 accumulated earned leave days per year, subject to manager and HR approval.

5. Maternity Leave

Female employees are entitled to 26 (twenty-six) weeks of paid maternity leave for the first two children, in accordance with the Maternity Benefit Act. For the third child onward, maternity leave is limited to 12 weeks. Employees must notify HR at least 8 weeks before the expected leave start date.

6. Paternity Leave

Male employees are entitled to 15 (fifteen) calendar days of paid paternity leave, to be availed within 3 months of the child's birth.

7. Bereavement Leave

Employees may avail up to 5 (five) days of paid bereavement leave in the event of the death of an immediate family member (spouse, child, parent, or sibling).

8. Leave Without Pay (LWP)

Employees who have exhausted all applicable leave balances may apply for leave without pay, subject to manager and HR approval. LWP exceeding 30 continuous days requires Director-level sign-off and may affect annual increment eligibility.

9. Public Holidays

Acme Corporation observes 12 public holidays per calendar year, as per the holiday calendar published by HR at the start of each year. Employees required to work on a public holiday are entitled to a compensatory day off within 30 days.

10. Leave Application Process

All leave requests must be submitted through the HR portal at least 3 working days in advance, except in emergencies. Leave is subject to manager approval based on team workload and business requirements. Sick leave may be applied for retroactively upon return to work.

11. Notice Period

The standard notice period for resignation is 60 (sixty) days for employees at the Associate to Manager level, and 90 (ninety) days for employees at the Senior Manager level and above. The company reserves the right to relieve an employee earlier or request payment in lieu of the notice period shortfall.

12. Probation Period

All new employees are subject to a probation period of 6 (six) months from their date of joining, extendable by up to 3 months at management's discretion based on performance review outcomes. During probation, employees are entitled to casual and sick leave on a pro-rata basis but are not eligible for earned leave encashment.

13. Policy Review

This policy is reviewed annually by the HR department and is subject to change. Employees will be notified of any material changes via email and the HR portal at least 30 days before such changes take effect.
